8 February 2012

Dear Sophie,

Refs: 11/1525/FUL | Decorative external screen and gate to All Saint's Passage. | Old Divinity School, St Johns Street, Cambridge CB2 1TW and 11/1526/LBC | Decorative external screen and gate to All Saint's Passage - Grade II Listed. | Old Divinity School St Johns Street Cambridge CB2 1TW.

With reference to the above application, CambridgePPF would like to make the following comments:

- The Gates are too imposing.
- They seem designed on an industrial scale, with an “engineering look”, and no real design theme.
- They seem too easy to climb.
- The quality of workmanship needs to be of an assuredly high standard.

We believe that a more elegant and lower key design should be sought as the current design does not sufficiently respect its setting within an attractive Cambridge walkway.

If you have any queries regarding this letter please do not hesitate to contact me. We would be happy to further discuss this with the college or their architects.

Kind regards

Carolin Göhler
