

Can you help nature at CambridgePPF's green spaces?

Through our ecology project we have started work finding out which species live on the green spaces we care for and as a result we are making changes to what we do in order to help them.

We've recruited some brilliant volunteers and partners with experience, enthusiasm and expertise to help.

...and now we need your help.

We are appealing for funds towards:

- Buying bird food and helping our feathered friends through the winter at Wandlebury (£500)
- Sowing the Arable Patch to create a fantastic bloom of flowers for butterflies, bees and other pollinators (£150)
- Buying tools so that volunteers can carry out habitat improvements (eg bow saws, loppers, rakes, etc) (£1,000)
- Training volunteers and wardens so that they can carry out habitat improvements (£750)

If we receive insufficient or excess funding for these items we will use your money towards other habitat improvements at CambridgePPF green spaces.
